# DEFIANCE COUNTY OHIO

# MARRIAGES

## Small Volume One

## 1845 - 1861

Published by the
Defiance County Genealogical Society

# Forward

The material in this first published volume of Defiance County Marriage Records was taken directly from the small Volume One of the Defiance County Marriage Records books located in the Defiance County Records Center. Mistakes in this index may occur due to typing errors or misinterpretations of writing on these older records. The Defiance County Probate Court's first recorded marriage was on 12 June 1845. Any marriages that occurred before 1845 would be in the Williams County records as it is the parent county for Defiance County. Please keep in mind that this is a guide for locating records in Defiance County. More information may occur on the marriage record in the actual Volume One.

If you would like to request a copy of the marriage certificate, write to the Defiance County Records Center, 510 Court Street, Defiance, Ohio 43512 or telephone 419-782-8918. Indicate whether you want a certified or uncertified copy. The cost will be whatever is currently set by the State of Ohio.

The publication of these records would not be possible without volunteers Bill Moore, Bev Hohenberger, Arnie Loeffler, Dianne Kline and other past and present members of the Defiance County Genealogical Society. We are all very grateful to have dedicated volunteers working on projects for our society.
